FOR IMMEDIATE RELEASE

**GRAEF, ANHALT, SCHLOEMER & ASSOCIATES, INC.
ELECTS THREE BOARD MEMBERS**

Milwaukee, Green Bay and Madison, WI, Chicago, IL, Fort Myers and Orlando, FL, Phoenix, AZ --- Graef, Anhalt, Schloemer and Associates, Inc., (GASAI) is pleased to announce three Board of Director appointments. **John Goetter, P.E.**, Principal and Vice President; **Kenneth Grebe, P.E.**, Principal and Vice President; and **John Kissinger, P.E.**, Principal and Vice President have all been re-elected to serve additional three-year terms.

Mr. Goetter serves as the Corporate Secretary, Manager of the Milwaukee office, and Manager of the Milwaukee Facilities Group. Reflecting on his term of services at the firm (he will celebrate 34 years with the firm on April 1, 2008), John noted, "I've seen GAS grow from 20 to more than 320 employees, and I've served GASAI in many capacities, and, in the process, acquired an appreciation of the talent and hard work needed to make a successful company."

Mr. Grebe has been with GASAI for twenty-five years and serves as a Regional Vice President. His recent focus has been on building the Industrial Market, working with clients such as John Deere, S.C. Johnson, and Miller Brewing. Ken has served on the Operations Strategy Team, the Principal and Associate Review Committees, and chaired numerous Board committees. When asked about his goals for the firm, Ken commented, "Our objective is to build the company to prosper beyond the presence of any individual,

insist on quality and customer service, promote teamwork, and grow into expanding geographic areas and markets...”

Mr. Kissinger, also a returning Board Member, is a Regional Vice President with responsibility for offices outside of Wisconsin. He has 23 years of tenure at GASAI that include management of several high-profile projects: the Milwaukee Art Museum Addition, the Midwest Airlines Center, and the Lambeau Field Renovation. When asked about his vision for the firm’s future, John said, “...our business is built on trust and relationships. ...GASAI must develop ‘world-class’ systems to ensure that we are providing our clients with the level of service that will increase their trust, and enhance our relationships.”

In addition to Mr. Goetter, Mr. Grebe, and Mr. Kissinger, other members of the GAS Board of Directors include Richard Bub, P.E.; David Castillo, P.E.; Kevin Hagen, P.E.; and Burt Naumann, R.L.S. Lou Graef, P.E., Chairman Emeritus, and Robert Agnew serve as advisory directors to the corporation.

Graef, Anhalt, Schloemer & Associates, Inc. is an employee-owned consulting engineering firm with offices in Milwaukee, Green Bay, and Madison, Wisconsin; Chicago, Illinois; Fort Myers and Orlando, Florida; and Phoenix, Arizona. The firm has been providing consulting services for 47 years.
